

# Save the Date for NEAT's AT Summit!

June 9, 2023 8:30-3:00

at the NEAT Center, 33 Coventry St. in Hartford

Join us for an in-person, assistive technology (AT) awareness day designed for educators, related service professionals, families, and more. This open house event will be held at **NO COST** for the public, thanks to generous support from the CT State Department of Education and the CT Tech Act Project.

- *Attend* informational sessions
  - **Morning:** “Free Assistive Technology Tools to Make Life Easier Today”
  - **Afternoon:** “Augmentative & Alternative Communication Tools for Different Ages and Needs”
- *View* AT/AAC demonstrations in the NEAT Learning Lab
- *Participate* in hands-on learning opportunities, including adaptive videogaming
- *Tour* the [Smart Home on Wheels](#)
- *Chat* with the NEAT team and [AT Champions program](#) participants
- *Ask* personalized AT/AAC questions
- *Network* with others in our community
- *Learn* about Oak Hill's adaptive equipment reuse program & other specialized centers
- Food vendors will be on site

Save the date now, look for additional details coming soon!
